ORDER GRANTING DISMISSAL WITHOUT PREJUDICE

HERNDON, District Judge:

This matter is before the Court on the Bayer Defendants' motion for an order dismissing plaintiff Jenny Reza's claims without prejudice for failure to file an appearance as required by this Court's Order and Local Rule 83.1(g)(2). The plaintiff has not responded to the instant motion.

On June 23, 2014, this Court granted plaintiff's counsel's motion to withdraw (Doc. 12). Plaintiff's counsel timely served a copy of the order on all counsel of record and unrepresented parties as required by Local Rule 83.1 and as stated in the order (Doc. 13).

The order granting leave to withdraw expressly provided that if the subject plaintiff (or her new counsel) failed to file a timely supplementary entry of appearance, the action would be subject to dismissal without prejudice under

Federal Rule of Civil Procedure 41(b) for failure to prosecute or to comply with the orders of this Court including failure to comply with the Plaintiff Fact Sheet requirements. To date, and in violation of this Court's orders and Local Rule 83.1(g), the plaintiff has not filed a supplementary appearance.

The plaintiff must comply with the Local Rules and this Court's orders. Fed. R. Civ. P. 41(b). Accordingly, for the reasons stated herein, the claims of the plaintiff are hereby dismissed without prejudice.

Further, as all other plaintiffs have previously been dismissed, the above captioned case is dismissed in its entirety.

IT IS SO ORDERED.

Signed this 3rd day of March, 2015.
